Sir,

With reference to the Government Notification No.G. 5408/p.p.102-18-1 dated the 13th September 1918 fixing the maximum price for the sale of ragi in Bangalore and Tumkur Districts, I have the honour to submit for the information of Government copies of my letters to the Deputy Commissioners of Tumkur and Bangalore.

From

C. Ranganatha Rao Sahib, Esq., B. A., B. L.,

Director of Civil Supplies and Controller of Prices.

To

The Deputy Commissioner,

Tumkur District.

Sir,

I have the honour to forward copy of a notification issued by Government under the Defence of India Rules fixing the maximum price for the sale of ragi in Bangalore and Tumkur Districts at Rs.50/- per cartload of 640 seers. I shall be obliged if you will kindly take steps to have it widely proclaimed in all parts of your District that it will be an offence under the Defence of India Regulation to quote a price for ragi higher than Rs.50/- per cartload of 640 seers.

2. I believe that the price fixed being much higher than the normal price for ragi is likely to satisfy all reasonable ryots and that sufficient stocks will be forthcoming to meet the requirements of the markets in Tumkur and Bangalore. I believe you are aware that the policy of fixing maximum prices will only be successful if sufficient stocks can be obtained at the prices fixed to meet all probable demands. I would therefore earnestly request your co-operation in inducing the villagers to bring their surplus stocks to the marke and suggest for your consideration the issue of suitable instructions to the Amildars in your District.

3. As under the instructions of Government I shall have to satisfy the urgent demands for ragi made by the Directors

of Civil Supplies of Madras and Bombay I shall be obliged if you will have it widely published that I am prepared to pay for ragi delivered at Bangalore at Rs.50/- per cartload and that all ryots and merchants having surplus stocks may intimate the fact to me.

4. In case deliveries can be affected more conveniently at any railway station this fact may be stated in applications addressed to me.

I have the honour to be,

Sir,

Your most obedient servant,

From

C. Ranganatha Rao Sahib, Esq., B. A., B. L.,

Director of Civil Supplies and Controller of Prices.

To

The Deputy Commissioner,

Bangalore District.

S i r ,

I have the honour to forward copy of a Notification issued by Government fixing the maximum price for the sale of Ragi at Rs.50/- per cartload in the Bangalore and Tumkur districts. I shall be obliged if you will kindly take step to have it widely proclaimed in all parts of your district that it will be an offence under the Defence of India Regulation to quote a price for ragi higher than Rs.50/- per cartload of 640 seers.

I believe that this price although not so high as that to which ragi attained recently owing to the widespread purchases effected by the Davengere merchants, is yet high enough to satisfy all reasonable ryots. As it is essential to have a large stock of ragi at Bangalore both to meet the local requirements of the City and to supply the requisitions made periodically by the Directors of Civil Supplies of Bombay and Madras I shall be obliged if you will request all Amildars to publish widely that I shall be able to buy ragi delivered at Bangalore at Rs.50/- per cartload and that applications in this behalf may be addressed to me.

I may also state that in case ragi can be delivered more conveniently at any of the Railway stations this fact may be stated and the rate for such delivery quoted.
